

E-BIKE WAIVER
(Lodge Rentals and Adventures, LLC)

YOU MUST READ AND AGREE TO THE FOLLOWING IN ITS ENTIRETY BEFORE PARTICIPATION:

I, being over the age of eighteen (18), know that riding an electric bicycle (referred to herein as "E-BIKE") is an activity carrying risks of serious personal injury, death or property damage. I also know that there are natural, mechanical and environmental conditions and risks which independently or in combination with my activities may cause injury or even death to me or others, as well as property damage. I know that operating E-BIKES has been the cause of serious injury and death in the past, because of the risks inherent in operation of the E-BIKE itself as well as where and how it is operated.

Being fully aware of the risks, conditions and hazards of the proposed activity as a participant, I HEREBY AGREE TO WAIVE, RELEASE AND DISCHARGE in advance Lodge Rentals and Adventures, LLC, employees or agents of said company, and any agent and/or ticket seller (hereinafter all collectively referred to as "RELEASEES") from any and all liability, claims for damages for death, personal injury or property damage which I may have or which may hereafter accrue to me as a result of my participation in any E-BIKE riding activity, whether known or unknown at this time, even if that liability may arise out of the negligence or carelessness on the part of persons or entities mentioned above. I agree to accept all responsibility for the risks, conditions and hazards which may occur, whether they be known or unknown, ARISING FROM ANY ACCIDENT, INJURY OR PROPERTY DAMAGE WHATSOEVER, RELATED TO, RESULTING FROM, OR IN ANY WAY CONNECTED WITH, PARTICIPATION OR OPERATION OF ANY E-BIKE.

This release contains the entire agreement between the parties hereto, shall not be altered except in writing signed by both parties, and shall be considered a contractual agreement and not a mere recital. CUSTOMER FURTHER STATES THAT HE OR SHE HAS CAREFULLY READ THIS ENTIRE AGREEMENT, SIGNED OF HIS OR HER OWN FREE WILL, AND ON BEHALF OF ANY MINOR CHILD OR CHILDREN WITHIN CUSTOMER'S CHARGE, AND, IN SO DOING, ACKNOWLEDGES AND AGREES TO ABIDE BY THE FOLLOWING EXPRESS TERMS AND CONDITIONS.

Initial paragraphs 1-7:

1. I understand that E-BIKES are battery powered bicycles which can achieve speeds of over 30 miles per hour, and can suddenly and violently accelerate, turn, overturn (especially on inclined surfaces), and/or lose control, depending upon my operation, terrain, and/or weather conditions. I AM AWARE THAT USE OF E-BIKES MAY BE HAZARDOUS, AND I HAVE ELECTED TO VOLUNTARILY PARTICIPATE IN THIS ACTIVITY WITH FULL KNOWLEDGE, ACCEPTANCE AND ASSUMPTION OF ANY AND ALL RISKS OF PERSONAL INJURY OR DEATH. I acknowledge that any E-BIKE, including but not limited to my own E-BIKE, must at all times be operated in a reasonable, safe and prudent manner. I acknowledge that failure to observe and abide by the following may unreasonably or unnecessarily endanger life, limb or property, INCLUDING, BUT NOT LIMITED TO, THE FOLLOWING:

NO riding without proper gear, including helmet, goggles and sturdy boots or shoes at all times.

NO wheelies, jumps, stunts, bumping, cutting in front of other vehicles or E-BIKES, or other reckless driving or operation at any time.

NO driving too fast for the conditions, visibility or experience. Drivers are aware of and must be alert for the possibility of hidden dangers when riding over unfamiliar terrain.

NO operation of the E-BIKE outside designated areas and trails – stay on the established trail.

NO riding too closely behind other E-BIKES or all terrain vehicles – keep at least four E-BIKE lengths behind another E-BIKE.

5. Awareness of environmental concerns has been growing for decades. It has affected how we relate to the outdoors. We all have a stake in safe, responsible riding and land use. To keep riding areas open requires good relationships between public land managers, private land owners and others who share the land such as riders, campers and hikers. In most cases common courtesy and consideration of their interests is all that is necessary to ensure that everyone can enjoy the area. Here are a few tips to consider when you ride:

- Learn about the area you will ride in. Contact the public land manager or private property owner to ensure that you understand area restrictions That have permission to ride there. Get maps of the area, and stay on trails if they are provided.
- Obey trail markers and closures signs. There are many reasons why an area may be closed to E-BIKE(s) including the existence of fire hazard, refuge to wildlife nor plant life and safety hazards for E-BIKE riders. The reasons may not be obvious. If it is posted as closed, stay out.
- Always leave gates and fences the way you found them. This is especially important on private lands where livestock may be kept.
- Leave the area as clean as you found it. If you see litter, pick it up and carry it out in a backpack or garbage bag. Why not leave the area cleaner than you found it?

- Be courteous to others you may meet on the trail. Always give right-of-way to hikers and horseback riders. Pull off the trail and stop your E-BIKE for horses.
- Approach livestock or wildlife on the trail slowly. In some parts of the country, range cattle pass the afternoon under shade trees along a trail. If you startle them, they may run directly into your path. Give them time to react and give them as wide as berth as possible.
- Whenever you talk to a Ranger or landowner, take your helmet off. The helmet can make you appear to be intimidating and unfriendly. Be friendly and honest in all your discussions with the Ranger or landowner. You are there as their guest.
